

## Workout to Support the Troops!!

### 2<sup>nd</sup> Annual Trevor Win'E Memorial Day Challenge

This is an invitation for the California Fire Service to join together on Memorial Day to raise money to purchase cooling vests for members of our military serving overseas. It's also a challenge to participate in a team fitness event at the OCFA Drill Ground in Irvine on May 26, 2008 from 9AM to 1 PM or simultaneously at your Fire Department.

The Challenge is in memory of Army SPC Trevor Anthony Win'E from Orange City who was killed in action near Mosul, Iraq on May 1st, 2004. Entry fees are donations to the memorial fund to purchase the vests.

For more details, contact OCFA Corporate Communications at (714) 573-6200.
